Family Farm Tax Credit Instructions

An eligible tract of agricultural land qualifies for the Family Farm Tax Credit if the tract is owned by an owner, as defined in section 425A.2, and a designated person is actively engaged in farming during the fiscal year preceding the fiscal year in which the auditor computes the amount of the credit under section 425A.5 for which the tract would be eligible. Notwithstanding the foregoing sentence, the “actively engaged in farming” requirement is satisfied if the designated person is in general control of the tract under a federal program pertaining to agricultural land.

Actively engaged in farming means the same as Iowa Code section 425A.2(1).

Agricultural land means the same as Iowa Code section 425A.2(2).

Designated person means the same as Iowa Code section 425A.2(4).

Eligible tract or eligible tract of agricultural land means the same as Iowa Code section 425A.2(5).

Owner means the same as Iowa Code section 425A.2(6).

The ownership criteria must be met on June 30 of the fiscal year prior to the fiscal year in which the application for credit is filed. For example, the ownership criteria must be met on June 30, 2021, for applications due November 1, 2021.

See Iowa Admin. Code r. 701—110.11(1)(d) for examples illustrating family farm tax credit eligibility under various circumstances.

In the case where the owner remains the same but the person who is actively engaged in farming changes, the owner shall refile for the credit. The owner shall provide written notice if the person actively engaged in farming changes. A person who fails to notify the assessor of a change in the person who is actively engaged in farming the tract for which the credit under section 425A.3 is allowed shall be liable for the amount of the credit plus a penalty equal to five percent of the amount of the credit.
